

## Flood Hazard Expo

May 20, 2016 9am-2pm

Please stop by the Moncks Corner Library located at (1003 Hwy 52 Moncks Corner, SC 29461) to ask questions about your potential flood risk and how to protect your property. Berkeley County Floodplain Management will have brochures and flyers available, along with representatives from J. Philip Morgan, Santee Cooper, and Smart Vent. We will have free hot dogs for all participating residents and we look forward to helping Berkeley County learn more about our flood hazards and dam breach areas! For more information contact Penny Ayers at 843-719-4266.
